The New Zealand Curriculum
**Education has a moral
purpose**

Learning is for life

Learning is a journey

Parental Involvement for Achievement

Parents as teachers

Parent education

**Parent engagement with
evidence of learning**

Graham Nuthall

“Much of what we do in schools is a matter of cultural tradition rather than evidence-based practice...much of what we believe about teaching is a matter of folklore rather than research”

The Hidden Lives of Learners

Graham Nuthall

The privatisation of learning
